

Will Smith Asked To Play Bobby Seale

*Will Smith says nothing is set in stone yet, but he has been contacted by director Steven Spielberg to star in his upcoming film "Chicago 7," which will chronicle the 1969-70 trial of seven radicals accused of conspiring to riot at the 1968 Democratic National Convention in Chicago.

According to the Brazilian Web site Omelete, Will Smith has confirmed his association with the project and said that Spielberg asked him to leave some free space in his schedule for the shoot.
