

Mint Condition's E-Life Coming May 6

*The trendsetting, platinum Minnesota-based R&B group, Mint Condition is back with their eagerly awaited ninth album, e-Life, in stores May 6, 2008.

The album will be released on the band's own label, CagedBird Records in joint venture with Image entertainment and includes collaborations with Anthony Hamilton, Ali Shaheed Muhammad, and Phonte from the group Lil Brother.

e-Life is a career defining album that will remind Mint Condition's fans that their signature sound, an eclectic blend of funk, rock, and soul, is still intact and even better 17 years after their debut.
