## Yo-Yo Interview With AllHipHop

×

It's no secret that female MC's have struggled to gain and maintain credibility – not only for their lyrical ability, but for their image, femininity and intelligence as well. If you've seen the previews for VH-l's Miss Rap Supreme, then you already know that things haven't changed much.

Veteran Hip-Hop star Yo-Yo is back in a big way as the showâ $\mathbb{C}^{\mathbb{N}}$ s co-host alongside MC Serch, and she has her own ideas about the reasons why women are still struggling for respect in the game.
