

Mariah Carey Makes Billboard History

Purring diva Mariah Carey is on a good wave this year – her most recent studio effort, the not so formulaic *“E=MC2,”* has sold 463,000 copies, becoming her sixth No. 1 album on the U.S. pop chart, a rare and precious feat.

Mariah Carey is known for her impressive multi-octave vocal range and her unique whistle as well as for her demands (which she calls “comfort”), her precious ways and her obsession with butterflies. Carey is also known for breaking records.
