

VIBE MAGAZINE Hosted Jamie Foxx's "Intuition" Album Party Last Night

On Wednesday, December 17th, 2008 Vibe Magazine hosted J Records' recording artist Jamie Foxx's Intuition album release party last night at NYC hot spot, Home. Much to the partygoers delight, Foxx was in the house, along with J Records and VIBE Magazine execs to share in the celebration of his newest release. As the party got grooving, Foxx got behind the DJ booth and onto the mic, keeping the crowd on its feet while DJ Envy kept spinning the tunes throughout the night. Guests happily sipped on the gratis Patron tequila-sponsored specialty drinks throughout the night.
