

Kickmag's 2008 Picks

Eric Benet-Love And Life 

West side homeboy continues the NWA tradition with multiple producers proving again that he acknowledges the influences of lyricists past but he is his own rapper.

Search

Santogold-Santogold 

Three bass warriors duke it out in layers of virtuosity and fun.

Search

Leon Ware-Moon Ride 

More speaker funk from Snoop with notable appearances from Teddy Riley and a country song with Willie Nelson and Everlast.

Search

N.E.R.D.-Seeing Sounds 

Search

Erykah Badu-New Amerykah 

Musiq maintains his part of the Philly soul lifeline. A decent radio cut with Mary J., his usual channeling of Stevie Wonder and more undiluted devotion.
