

Media Questions Of The Week

1. Why did OK Magazine call Ginuwine a [rapper](#)? Note: As of today 8/29/09 the magazine has changed the title of the article because people in the comments section called them out about it. You can't see the word rapper in the title but if you look in the comments section you can see the readers making the correction for them.

2. What will happen to Michael Jackson's doctors that enabled his drug abuse now that his death has been officially labeled a homicide?

3. Why have there been no offers for Stew to present [Passing Strange](#) in his hometown of Los Angeles?
