## Media Questions Of The Week

- 1. Why do the Republicans feel so comfortable spreading hate like posting a picture of Barack Obama eating fried chicken with a caption that suggests interracial marriages should be outlawed on their Facebook page for <u>six days</u>?
- 2. Is Matthew Knowles really paying radio stations to not play LeToya Luckett's song?
- 3. What if all rappers did what Plies did when he saw a young female fan at his concert and gave her \$1000 to leave and have her parents use the money to take her somewhere more age appropriate?
