

# Dwele Featuring The Suite For Ma Dukes Orchestra-Angel

[FULL SCREEN](#)

[The Sounds of VTech](#) / [Angel Feat. Dwele](#)

This clip is from the upcoming Timeless DVD release called The Suite For Ma Dukes. This concert took place last year at the Luckman Center on California State's campus. It's amazing the types of diverse people that connect to J.Dilla's music especially considering he was an artist you had to seek out.
