

Media Questions Of The Week

1. Why did Vernon Winfrey sell out his daughter Oprah to Kitty Kelley? And while he is talking so much to Kelley about Oprah why didn't he talk about the time his daughter was sexually abused??? But isn't it funny how people like Barbara Walters, David Letterman, Larry King and others will not have Kitty Kelley on their shows to promote the book?

2. Isn't the whole thing with Whitney Houston so painful that you just don't want to hear about it anymore? Isn't her health more important now than entertaining people?
