Last night Jay-Z and Eminem performed the biggest rap concert of the year at Comerica Park in Detroit. There are already a number of clips up from the show but I chose Jay-Z's tribute to hip-hop's fallen and his performance of "Hard Knock Life." Both artists had company with 50 Cent, Young Jeezy, Trick Trick, Dr. Dre, Drake and B.o.B. The New York leg of the event is coming up.
