

Incognito-Lowdown Feat. Mario Biondi and Chaka Khan

[youtube]CnGysdKKzUY[/youtube]

It's a sign of the times in the music industry when artists routinely record and shoot videos in different locations at different times. This video is obviously spliced together from three separate locales but I'm happy to see anything from Incognito. I know Bluey had a dream come true when Chaka agreed to appear on their new album [*Transatlantic RPM*](#).
