

Cajmere & Gene Farris - The Music Box From Chicago EP

[youtube]doYePD4yeMM[/youtube]

Cajmere and Gene Farris enlisted old footage of the Soul Train dancers for this video to add visuals to their new song "The Music Box" from the *Chicago* EP. The Music Box was the place where the legendary Ron Hardy held court in the '80's playing wild house tracks till his audience had a transcendental experience. You can buy the track and the EP at [Beatport](#) only.
