

# Marsha Ambrosius - "Far Away" (Live At SOB's)

[youtube]ULCJXu9Hmwk&[/youtube]

Marsha Ambrosius debuted a song called "Far Away" on the 18th this week at SOB's in New York City. With the *Sextapes*, Twitter and now this much heralded concert she has been creating a nice lead up to the release of her album *Late Night and Early Mornings* due early next year.
