

Teena Marie's Memorial

[youtube]n1nN82bXRYU&[/youtube]

HipHollywood was at the Teena Marie Memorial yesterday and they received comments from many who attended the service. Stevie Wonder, Smokey Robinson and Sheryl Lee Ralph are a few who spoke about Teena's life and music. Berry Gordy and Teena's daughter were the featured speakers at the ceremony. Hopefully, her family will still allow a public memorial for all of her fans around the world to formally say farewell.
