

Media Questions Of The Week

1. Was Vybz Kartel's [response](#) to criticism over his [skin-bleaching](#) sensible and appropriate?

2. Why is Q-Tip upset about Michael Rapaport's documentary on A Tribe Called Quest when he knows that anything you say in an official interview can be used? And if he doesn't like the outcome he knows he can make a video response to it? Doesn't he know that regardless of the film's outcome Tribe's significance will not be diminished?

3. Why does Keyshia Cole want to record with [Nickelback](#) instead of someone like Lenny Kravitz or Janelle Monae????
