

Liam Bailey- You Better Leave Me

[youtube]zKsai_KiTiU&[/youtube]

Liam Bailey was discovered by Amy Winehouse last year and his two EPs *2AM Rough Tracks* and *So Down So Cold* were released on her Lioness Records label. "You Better Leave Me" is the first single from his May 2011 debut *Out Of The Shadows*. Like Winehouse he is from the UK and has managed to channel an old R&B sound into a new audience.
