

ATTENTION ARTISTS! Enter the Listen To My DEMOS Mixtape Contest + Crooked I Speaks on DEMOS + Visit Our Kickstarter Campaign

Los Angeles, CA: April 9, 2011

In promotion of the upcoming documentary film, DEMOS: An Independent Artist's Guide To Success, we will be releasing a series of mixtapes showcasing the talents of independent artists around the world. The mixtapes will serve two purposes: to add awareness to the upcoming film and to promote the independent artists who make it onto the mixtape. That's where this contest comes in! WE WANT TO HEAR YOUR DEMO. This is your chance to become a part of something that we hope will go down in hip hop history as being one of the illest music documentaries to be released in recent times.

We will be getting some well known DJs to mix YOUR DEMOS, so submit your ORIGINAL music (sampled productions are fine) and get heard!

Deadline is April 30th.
