

Black Joe Lewis + Derek 'DJA' Allen (Mad Decent) – Livin' in the Jungle Mixtape

Mixed by Derek 'DJA' Allen (of Mad Decent fame), the *Livin' in the Jungle* mixtape combines Black Joe Lewis and the Honeybears' soulful talents with verses/beats from some of the most buzzing rappers and producers of late. Black Joe Lewis and the Honeybears are huge fans of Southern rap, and here legends like Bun B and Juicy J appear in a new context (even President Obama makes a cameo). On the heels of their critically-acclaimed sophomore album *Scandalous*, the *Livin' in the Jungle* mixtape adds a new dimension to the group's catalog.
