

Michael Jackson-Don't Stop Til You Get Enough

[youtube]yURRmWtbTbo[/youtube]

It was two years ago today that Michael Jackson passed. It still sounds strange to describe him as deceased because the whole event of his passing felt like A Twilight Zone episode because it seemed like that he'd been dying for years. Regardless of all his personal dramas we miss him and can never forget his musical achievements from childhood to adulthood. R.I.P. Mr. Jackson.
