

The Outlawz-Black Rose

Taking a page from the book of Pac, The Outlawz drop an homage to the women in their lives to reaffirm their self-worth. Produced by Scottzilla and using a sample from Light of Aidan's "Breathe" featuring Note for A Child, "Black Rose" appears on their final album as a group "Perfect Timing" available on September 13th, 15 years to the death of their mentor. Download it [here](#).
