

Media Questions Of The Week

1. Why are people taking Nicki Minaj seriously and "fridging?" Don't they know she's making a joke?

2. Was James Brown murdered?

3. Why is there a television special on the connection between crack cocaine and hip-hop when the relevance only applies to gangsta rap? Why ruin Africa Bambaataa's "Planet Rock" with negative imagery? Why not a television special on how poverty bred rap?
