

Siji's Elder's Corner

New Jersey based singer, songwriter, producer and filmmaker Siji is making a film about Nigeria's history as told through the words and music of Nigerian musicians. "Elder's Corner" tells the story of Nigeria including the country's battle with colonialism, oil, ethnic battles and their overall political and power struggles. "Elder's Corner" is in the Kickstarter phase and Siji's goal is to raise 20,000 by October 31st.
