

Mugpush Releases Debut Album All U.S.

[youtube] -k9BZv2Maew&[/youtube]

Mugpush is a new funk collective out of the Bay Area with a sound that has some kin to D'Influence, Sa Ra and the elements of '70's and '80's funk. Last month they released their debut album *All U.S* on [iTunes](#) and you also have the option to hear a download of the single "All Us..."
