

Sintex Era-Trickle Down

[youtube]v4u6eDE0J7c&[/youtube]

Sintex Era is an accountant by day and an indie rapper by night. He's combined both perspectives to create this timely piece about Ronald Reagan's ill-fated Trickle Down economics that America still feels today thus the outbreak of the Occupy Wall Street movement. Even [Warren Buffet](#) has admitted the flaws in giving tax breaks to the rich.
