MK aka Marc Kinchen is a house god from the '90's. His catalog is a major part of the underground dance movement ; "Always" "Burning" and "You Brought Me Love" are bit pieces of a [heaven](#) he helped to create that is filled with so much more. Defected just released 20 of his tracks in a compilation that you can get on [iTunes](#). These days the producer does more work for people like Pitbull and Willow Smith but he does say in this clip that recent DJ gigs are helping to bring the underground MK back. You can hear a sample stream of the CD on [Soundcloud](#).
