

Rah Digga-The Ni**ga In Me

[youtube]odNFbe1tK4s[/youtube]

Rah Digga released this diss track earlier today in response to words from Tyler The Creator and Fat Trel. She also makes it clear how she feels about the situation with a statement, "I wish em all the best, they just need to understand who is off limits. MC Lyte is off limits. Rah Digga is off limits. Respect those who kept hip hop raw so that we could still have a culture or get a first hand lesson in a lyrical ass whoopin."
