

Media Questions Of The Week

1. How come Erykah Badu's [explanation](#) for her video with the Flaming Lips sounds so much like Mary J. Blige's [explanation](#) for the Burger King commercial?

2. How come it's Ok for people like Gwyneth Paltrow to use the 'N' word freely, regardless of a song title, but you never hear any other racial epithet like kike, chink, sand-ni**ger etc. used just as liberally in American culture?
