## Kool Keith-Who's The Man

[youtube]56p\_CzwU8PE[/youtube]

Hek & Junky of the TJS Crew paint the cover art from Kool Keith's Love & Danger on the side of a wall in the Pirate Dub & Kalenge FX-directed video for "Who's The Man." Love & Danger is supposed to be his last album but he's already released the "Spectrum" track for his interview with Grantland.com.
