

# Media Questions Of The Week

1. Why does Dolce & Gabbana think it's hip and cool to appropriate Mammy imagery for their blackamoor-inspired earrings?

2. Isn't it funny how Lil' Wayne beat Elvis Presley's record as the male artist with the most songs on the Top 100 in the history of Billboard but the music industry establishment still won't admit that hip-hop has been the new rock and roll for 30 years?
