Electric Wire Hustle is the New Zealand trio of Mara TK, Myele Manzanza and Taay Ninh. Their name comes from a song on Common's *Electric Circus* album. The Dillae-sque "Perception" was released as a 12-inch single in 2009. BBE licensed their self-titled debut album for international release in 2010. They are currently finishing their second album that will be available in 2013.
