

Murph Law-Let's Go Geek

[youtube]WbejTsjExaU[/youtube]

D.C. based rapper Murph Law has a tribute to all his fellow geeks called “Let’s Go Geek.” The video is a fun look at the geek’s obsession with all things wired. Before he started rapping he produced music for people like Lil’ Wayne and Mase. You can listen to his *Music and Madness* EP on his official site.
