

Throwback: Nonchalant-5 0' Clock

[youtube]BQy1knJmGXg[/youtube]

Nonchalant's "5 0'Clock" is one of hip-hop's cautionary tales about the hazards of being involved in illegal street activity. The D.C. rapper's *Until The Day* debut was released in '96 and her brief stay with MCA Records ended in '98. Nonchalant still lives in the D.C. area where she hosts music events and has an independent record label.
