

Pledge Music Campaign For Wayne Shorter: Zero Gravity Documentary

[vimeo]64562594[/vimeo]

There are 48 days left in the [Pledge Music](#) campaign for the Wayne Shorter documentary *Zero Gravity*. Shorter's legendary travels as a member of the famed Miles Davis Quintet, his solo career and work as one-half of jazz fusion band Weather Report are incandescent chapters in American music. The documentary was started in 2006 and money is needed to finish the project by 2014.
