

Tall Black Guy-You Look Like A Tall Black Guy

[youtube]h_ivY77TlLA[/youtube]

Tall Black Guy's *8 Miles To Moenart* will be released by First Word Records on May 20th. The video for "You Look Like A Tall Black Guy" is a sample of Huxtable fare that pokes fun at the stereotypes of African-American men who are elevated in height. You can also listen to the album sampler on his [Soundcloud](#) page.
