

Whitney Houston's Tribute Comic Book Released For Birthday This Week

August 9th, In what would have been the superstars 50th birthday this year, Bluewater Productions is publishing a comic book about her life in "Tribute: Whitney Houston".

Iconic superstar, Whitney Houston broke records in the music and movie industry. She was an idol to millions and adored all over the world. Some even said she had the voice of an angel, but the demons of her past was a creeping ghost on her life which was tragically taken away too soon. Take a look at her past and how she changed the world with just the sound of her voice. This is the life and death of Whitney Houston.

The 32-page comic book released this week, is written by Raphael Moran and drawn by Kirk Feretzanis with a cover by famed artist Neil Feigeles.

"I was very excited to get the opportunity to illustrate Whitney Houston, one of my personal favorite singers. Hopefully what I've come up with would make her happy. And hopefully the fans, will think I did her justice". Said artist Neil Feigeles

"While doing research on this book, I found it a pleasure to discover what a Power Force Whitney Houston was." said comic book artist Kirk Feretzanis.

"The Tribute line of comic books tells the stories of the classic entertainers that have passed on," says Bluewater publisher, Darren G. Davis "It is a way for us to honor these people who have made a difference in the world.

Previous subjects that have been featured in the "Tribute" line include Elizabeth Taylor, Frank Capra, Michael Jackson, Marilyn Monroe and James Dean. All of them can be found digitally on iTunes, Nook & Kindle, and in print at Comic Flea Market.
