

Childish Gambino-Yaphet Kotto

[youtube id="903gq-yIno0"]

The assumption is that Childish Gambino is paying some kind of tribute to the actor Yaphet Kotto with this song and there is the visual reference to Nirvana's *Nevermind* album cover. Whether it is or not, Gambino announced on Twitter that he is releasing *Because The Internet* during the wintertime. You can also [download](#) the full freestyle.
