

Gangsta Boo & La Chat-On That Feat. Lil Wyte

[youtube id="zT03dwoKQrk"]

"On That" is a Drumma Boy-produced single from the Gangsta Boo and La Chat *Witch* EP that comes out this year. Gangsta Boo has regrouped with her Three-Six Mafia family and they are now Da Mafia 6ix since Juicy J is not on board. The horrorcore/Crunk leaders from Memphis are answering the call of rap fans who miss their hard sound and are currently bored with all the Kumbaya corporate-sponsored rap and excessive materialism.
