

De La Soul-Dilla Plugged In

De La Soul reconnects with J.Dilla on the song "Plugged In" from their upcoming *Smell The DA.I.S.Y.* mixtape which is exclusively produced by the late Detroit producer. Yesterday, March 3rd marks 25 years since *3 Feet High & Rising* emerged and brought George Clinton back from the dead with "Me, Myself & I" and in the process explained sampling to the world with Prince Paul's the production skills. There will also be the *Premier Soul On The Rocks* mixtape co-produced by DJ Premier and Pete Rock. And they are working on their 9th studio album *You're Welcome*.
