

Damani Nkosi-Now That's Love Feat. Musiq Soulchild & Robert Glasper

[youtube id="EMA5YD7SN00"]

Damani Nkosi is a rapper from Englewood, California who has been toiling away on the underground since the late '90's. He released the song "Move" with The Clique back in 2001 and has worked behind the scenes with Dr. Dre and Swizz Beatz. ["Now That's Love"](#) has guest appearances from Robert Glasper and Musiq Soulchild and it's about all forms of love including romantic, love of humanity and love for the art of rapping. The song is also the first single from his Thoughtful King album, which will be released sometime this year.
