

Incognito's Bluey Presents Citrus Sun

Bluey from Incognito has assembled an 8-piece band of musicians that he's calling Citrus Sun. He says, "In terms of sound it is also more sparse as it features the sole trumpet reminiscent of the late Donald Byrd, and there is a cool Latin jazz flavour on some of the cuts." "What Color Is Love" is from their *People Of Tomorrow* album that comes out March 18th. "What Color Is Love" is streaming on their [Soundcloud](#) page.
