

Noel Gourdin-Can't Wait Feat. Avery Sunshine (Lyric Video)

[youtube id="T_j9MfpparY"]

Noel Gourdin was last heard from in 2011 when he released his *Fresh: The Definition*. He's returned with his [*City Heart, Southern Soul*](#) album that still has the throwback sound he debuted with his single "The River." This is the lyric video for "Can't Wait" which is a duet with Avery Sunshine.
