

Seven Davis Jr. Covers I Feel For You

[youtube id="ChnKGddpmio"]

LA by way of Houston-based singer/producer Seven Davis Jr. debuted his R&B/Funk/house last year with his [One EP](#). He also made his smashed synth-in-a-box version of Prince's "Controversy" a free [download](#). Here he is taking on the Purple One again and this time it's a super-housed up version of "I Feel For You" that's also [downloadable](#).
