

Dwele-Swank (Official Video)

[youtube id="Y32auaHvjhA"]

Yesterday Dwele uploaded his self-directed video for "Swank" from his 2012 album *Greater Than One*. He adds to the description that the video was shot with "1 cam, a few countries...and various stages of beard." Dwele and the band offer a rare live musicianship among R&B players and he is the only R&B singer who can play the flugelhorn.
