

Nas-The World Is Yours At JFK Center

[youtube id="15D51LYzopo"]

It's been 20 years since Nas made his solo debut with the enduring *Illmatic*. Friday and Saturday night he performed the entire album for audiences at The JFK center in Washington, DC. The show was also a part of the [One Mic: Hip-Hop Culture Worldwide](#) festival that's currently going on until April 13th.
