

Yasiin Gaye-Ms. Fat Booty

[youtube id="1Tcs0kUrUHc"]

The video for Yasiin Gaye's "Ms. Fat Booty" is a mix of images from Marvin Gaye's early Motown days and his *Sexual Healing* days combined with footage from Mos Def's "Ms. Fat Booty" video. Mos Def's "Ms. Fat Booty" rap is essentially layered on top of Gaye's "Ain't That Peculiar."
