Don Cheadle has launched an [Indiegogo](#) campaign for his Miles Davis biopic, *Miles Ahead*. The goal is to raise \$325,000 by July 10 to make the film he has been working on since 2007. The Miles Davis estate supports his efforts to make the film that he intends to shoot this summer. Cheadle will play Davis in the project that focuses on a few days in his life after he emerged from a career hiatus.
