

# Yasiin Gaye-The Return (Side Two)

[Yasiin Gaye: The Return \(Side Two\) by Amerigo Gazaway](#)

Amerigo Gazaway's second installment in his Yasiin Gaye project, *The Return (Side Two)* is now available for download. Gazaway used Gaye's early sampling in his production work as inspiration. His liner notes break down the anatomy of each song with corresponding anecdotes. The Brooklyn meets Motown vibe gets injected by a humorous cartoon drawn by Drew Dernavich which pokes fun at the RIAA's stance on copyrights.
