

Tall Black Guy-Midnight Chocolate Run103BPM

Tall Black Guy is building momentum for his appearance at [The Dimensions Festival](#) in Croatia at the end of this month with “Midnight Chocolate Run 103BPM.” The nocturnal wiggly funk lines of the song are built of [various sounds](#) provided by the festival for the sample challenge contest. As usual TBG takes the listener into his world of soulful trance but this time it’s inspired by a late-night trip for chocolate.
