

Dear White People (Red Band Trailer)

[youtube id="zs8H8qWkrxY"]

Justin Simien's [Dear White People](#) seeks to open a national dialogue about race in "post-racial" America. The film centers around a group of Black students attending an Ivy League college and an African-American themed party given by white students which causes a riot. The movie was received well at Sundance this year and will be in theaters October 24th.
